

# FACULTY OF ENGINEERING

The Faculty of Engineering prepares innovative engineers and problem-solvers to design and build a better future. Our programs combine theoretical excellence with practical experience to address real-world challenges and drive technological progress.

## ACADEMIC PROGRAMS

NO	PROGRAM NAME	DEGREE	MODE OF STUDY	INTAKE CAPACITY
1	Chemical Engineering	Master	Full-time	10
2	Chemical Engineering	PhD	Full-time	4
3	Chemical Engineering	PhD	Full-time	2
4	Aerospace Engineering	Master	Full-time	20
5	Aerospace Engineering	PhD	Full-time	5
6	Aerospace Engineering	PhD	Full-time	5
